Your Complete 4-Week Action Plan to DBE Home Education Registration

Made with GAMMA

Week 1: Document Gathering

Start collecting these documents NOW — some take 6–8 weeks to arrive.

Child's Unabridged Birth Certificate

What You Need:

- Original unabridged (long form) birth certificate showing both parents' details
- Must be **CERTIFIED** less than 3 months old at submission

Where to Get It:

- **If you have original:** Get it certified FREE at any SAPS police station or R10–R20 at the post office
- **If you don't have it:** Apply at Home Affairs (In-person or online at www.gov.za). Cost: R75. Timeline: 6–8 weeks

Parent ID Document

What You Need:

- South African ID (green book or smart card) or Passport + valid visa/permit
- Must be **CERTIFIED** less than 3 months old

Child's Most Recent School Report

What You Need:

- Latest report card with principal's signature and school stamp
- **If Child Never Attended School:** Mark as "N/A" on application. We'll use developmental milestones instead

CRITICAL: Order NOW even if not applying immediately! Birth certificates take the longest to arrive.

Week 1 Continued: Final Documents

Week 1 Quick Checklist

- Apply for birth certificate (if needed) - START IMMEDIATELY
- Check parent ID condition (replace if damaged)
- Request school report with principal signature
- Gather proof of residence (check date)
- Request transfer certificate in writing

Proof of Residence

Acceptable Documents: Municipal bill, bank statement, or lease agreement (less than 3 months old and certified).

Transfer Certificate (The Workaround)

The Solution: If the school refuses to issue one until placement is confirmed, use the **Legal Workaround Letter:**

> "Transfer certificate requested from [School Name] on [Date]. School has indicated certificate will be issued upon confirmation of alternative placement. This application serves as formal notification of withdrawal..."

Week 2: School Coordination

Formal School Notification

Use the following template for your withdrawal notice:

Notice Template

Subject: Notice of Withdrawal for Home Education Registration

Dear [Principal Name],

I am writing to formally notify you of my decision to withdraw my child, [Child Full Name], currently in Grade [X], to pursue home education registration with the Department of Basic Education.

This decision is made in accordance with Section 13, BELA Act 32 of 2024 and National Policy on Home Education (2018).

I request the following: (1) Transfer certificate, (2) Academic records, (3) Written acknowledgment.

01

Track Communication

Document Everything:

- Save all email correspondence
- Note dates of phone calls and the name of the person you spoke to
- Request written acknowledgment of withdrawal

02

Gather Historical Records

Optional but Helpful:

- Past 2–3 years of report cards
- Teacher observations or specialist assessments

Week 2 Quick Checklist

- Send formal withdrawal notification to school
- Request transfer certificate + records in writing
- Save all correspondence (emails, letters, receipts)
- Follow up after 7 days if no response

Week 3: Application Preparation

Download Blank DBE Forms

Ensure you use the **Provincial-specific** form for your area. Forms vary slightly between provinces; using the wrong one can cause delays.

Draft Motivation Letter (3 Pages)

Your letter should follow this structure:

1. **Introduction:** Who you are and legal grounding (BELA Act 32 of 2024)
2. **Reasons & Evidence:** Specific learning needs, medical requirements, or philosophical approach
3. **Capability:** Your background and commitment to national standards

Outline Educational Plan (6-8 Pages)

Include the following sections:

- **Section 1:** Programme Overview
- **Section 2:** Curriculum Framework (CAPS alignment recommended)
- **Section 3:** Subject Breakdown & Resources
- **Section 4:** Daily/Weekly Schedule
- **Section 5:** Assessment & Evaluation methods

Diagnostic Assessment Baseline (5 Pages)

Define where your child is currently at:

- Current Academic Performance
- Learning Profile (Strengths/Weaknesses)
- Readiness for Home Education

Professional Shortcut: P-Squared Academy can generate these 4 documents (103-field form, motivation, plan, assessment) in 30 minutes, personalized to your child and legally compliant.

Common Mistakes to Avoid

Incomplete Documentation

Ensure all required forms and supporting documents are attached and properly filled out.

Missing Deadlines

Submit your application well in advance of any specified due dates to allow for processing time.

Uncertified Copies

Always provide certified copies of official documents as required, with recent certification dates.

Incorrect Information

Double-check all personal and educational details for accuracy to avoid delays or rejection.

Lack of Follow-up

Be proactive in tracking your application status and responding to any requests for additional information.

Frequently Asked Questions

Do I need teaching qualifications?

NO. The June 2025 Ministerial Guidelines explicitly state that teaching qualifications are **NOT** required.

Must I use the CAPS curriculum?

NO, but CAPS alignment is highly recommended to satisfy provincial preference and ensure national standards are met.

Can I start while waiting for approval?

Legally, children must be in registered education. You can request **provisional approval** in your cover letter to start during the processing period.

What happens during site visits?

Visits are discretionary. They check for a dedicated learning space, resources, and evidence of instruction (lesson plans/work).
